

Casa Shelving & Storage Unit

The Casa Shelving And Storage Unit offers a versatile and stylish solution for organising your space. Featuring a combination of open shelving, enclosed storage, and cubbies, this unit provides ample space for books, decor, and other essentials. Backed by a 5-year warranty for added peace of mind.

FEATURES

Features a combination of open shelving and enclosed storage for versatile organisation.

Includes a double swing door cupboard to provide secure and discreet storage.

An adjustable shelf is located inside the cupboard to accommodate different item sizes.

Six storage cubes provide dedicated spaces for smaller items or decor.

A large storage opening offers ample space for wider equipment or books.

The unit is designed to organise books, decor, and office essentials in one location.
