

Klass Desk

The Klass desk is where engineering excellence meets intelligent design. Crafted with precision German technology, Klass delivers uncompromising durability, seamless adaptability, and ergonomic innovation, creating a workspace that moves with you.

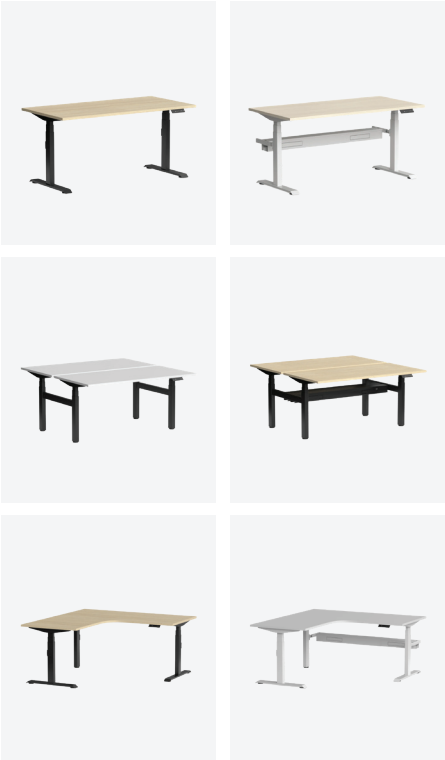

Designed for the demands of modern Australian workplaces, Klass offers flexible configurations, advanced ergonomic controls, and an integrated cable management system that keeps spaces streamlined and distraction-free. Its intuitive 3-point memory control with an LCD readout gives users customized height adjustments, anti-collision sensitivity, and programmed restrictions, ensuring ergonomic precision at the touch of a button.

Klass

FEATURES

German Engineering & Design:
Precision-crafted with superior German technology for enhanced durability and aesthetics.

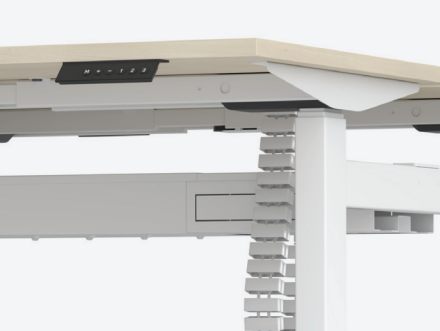

Versatile Configurations:
Seamlessly adapts to evolving workspace needs with single, back-to-back, and return layouts.

Ergonomic Innovation:
3-point memory control with an LCD readout for seamless height adjustments and anti-collision safety features.

Certified Quality & Sustainability:
Built for longevity and backed by AFRDI and Global Greentag certifications, ensuring robust quality and eco-conscious manufacturing.

Streamlined Workspace Management:
Integrated cable tray system with GPO and Cobra cut-outs for a clutter-free, distraction-free environment.

Effortless Assembly:
Pre-fitted rails reduce installation time while ensuring long-term stability and reliability
