

# Nido Round Coffee Table

Experience contemporary elegance with the Nido Coffee Table. Featuring a sleek design with a distinctive cross brace underframe and adjustable leveling feet, it is the perfect combination of style and stability. Backed by a 5 year warranty

## FEATURES

Adjustable levelling feet allow for stability on uneven commercial flooring surfaces.

Cross brace underframe provides a sturdy and balanced foundation for daily use.

Sizing allows for different units to be suited together to create a table nest.

Melamine surface allows for simple cleaning and efficient maintenance procedures.

Low profile height is specifically designed to complement lounge and reception seating.

Features a contemporary circular table top for a modern aesthetic.

Table top is constructed from sustainable EO Enviroboard melamine.

Distinctive cross brace underframe and top are finished in professional black.

Underframe features a durable powdercoated steel construction.

Sleek minimalist profile suits a variety of professional and hospitality environments.
