

Piedra Coffee Table

The Piedra Coffee Table features a striking Grey Carrara Marble table top, offering a sophisticated and unique touch to any living space. Supported by a robust black powdercoated steel frame, this table provides a sturdy and elegant foundation. The 12mm thick sintered stone top ensures durability and easy maintenance, while the 18mm MFC bottom pad protects the surface. Backed by a 5-year warranty for added peace of mind.

FEATURES

Sintered stone table top provides a durable surface resistant to scratches and stains.

Integrated 18mm MFC bottom pad adds structural support and protects the stone top.

Robust steel frame provides a stable and sturdy foundation for daily use.

Surface material allows for easy maintenance and simple cleaning procedures.
